I CAN CER VIVE

Breast Form, Shaper and Post Surgical Collection

10271

Classic Triangle Air
Features the classic triangle shape with a shallow to average profile in the bra cup. The classic triangle shape accommodates a wide chest wall. Crafted with Air silicone which is about *45% lighter than Standard silicone.*

11285

Massage Form® Shaper
Features a wide-based modified triangle footprint that provides full coverage in the bra cup. Back layer features a patented design that massages, cools and hugs the chest wall for a comfortable fit. Massage channels prevent shaper from collapsing.

951

Post-Surgical Camisole with Drain Management
Two Velcro attachable drain pouches and two triangle puff leisure forms are included with every camisole. Relaxed fitting camisole features easy-open shoulder clasps for easy step-in entry.

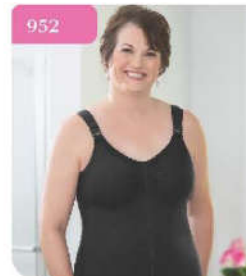

10281

ABC Symmetric Air
Features a wide-based modified triangle shape with a shallow to average profile in the bra cup. Its wide footprint provides better coverage across the chest wall, reduces breast form shifting in the bra pocket and maximizes comfort.

11385

ABC Massage Form® Shaper Lightweight
Features a wide-based modified triangle footprint that provides full coverage in the bra cup. The back layer features a patented design that *massages, cools and hugs* the chest wall for a comfortable fit.

952

Zip-Front Post-Surgical Camisole with Drain Management
Features a zipper front and detachable shoulder clasp for easy step-in entry. Two Velcro attachable drain pouches and two triangle puff leisure forms are included with every camisole.

We also provide non-mastectomy bras (fitting size ranges: 28AA-56N), nursing bras, breast pumps, wigs (cranial prosthesis), camisoles, slips and special undergarments for bridal and any evening attire.
